

Notice of Rejection of Bid Responses and Cancellation of Award

To: All Prospective and Actual Vendors

Subject: Cancellation of Bids- "Lexington School District Four, District Wide Renovations" Project

Date: May 17, 2022

Lexington School District Four ("District") recently accepted bids for "Lexington School District Four, District Wide Renovations" ("Project"). This notice is to inform all prospective and actual bidders is to that the District is rejecting all responses to the Project and is cancelling the award for the Project at this time. Under the District's Procurement Code § 2-107(1)(h), the District may cancel an award if it is clearly in the best interest of the school district. Due to the federal requirements attached to the funding of the Project and higher than anticipated construction costs associated with completing the project, it is no longer feasible for the District to pursue completion of the Project under the terms solicited at this time. The District may reissue solicitation(s) for the Project in the future, and we encourage all qualified vendors to submit bid at the appropriate time.
